

Project 2

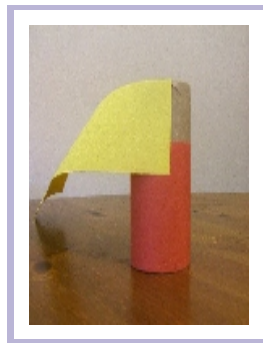

How to make Skittles

An adult should always be present for supervising and helping

Materials:

- toilet rolls
- yoghurt pots
- scissors and glue
- paper for decoration (we used colour paper, but you can also use magazine paper and make your own collage)

2. Cover the toilet roll with coloured paper or magazine paper. The top is going to be the head and the bottom the body. Cover the yoghurt pot as well and decorate the skittle. You can cut eyes mouths and other things from magazines and make a collage.

3. This is just one example of what you could do.
