

Project : Nativity

How to make a Nativity
An adult should always supervise
and help because of the danger
when using sharp cutting tools

Materials:

- toilet roll
- shoe box
- scissors and tape
- newspaper
- gold spray
- snow spray and glitter (optional)
- natural materials for decoration

1. Wrap the shoe box with newspaper and tape.

2. Cover the bottom with a plastic carrier bag to protect from the humidity.

3. Spray the newspaper with the gold spray.
4. Decorate with natural materials (stones, grass etc).
5. Add some snow spray and glitter (optional).

6. The final nativity
